## **National entrepreneurship award was granted to Contractia Ltd's Marita Willman**

The Association of Finnish Lawyers has granted the National Entrepreneurship Award to Contractia Ltd's owner-entrepreneur LL.M. **Marita Willman**. The award was given during the Lawyer Day Event at the Finlandia Hall in Helsinki on September 30<sup>th</sup> 2011. The award was given to a woman for the first time in the history of the award.

"The main argument for granting the award was the innovativeness of the business idea and the way Marita Willman has combined the traditional legal perspective to a new kind of legal entrepreneurship", Chairman of the Selection Board **Eeva Lipasti** comments. The Board also emphasized the value of the new creative service concept which Marita Willman has created for contract and obligations management.

Marita Willman works as Contract Management Consultant and Advisor in several privately owned corporations, international listed companies and public entities. Since 2005 Marita Willman has worked in customer projects as a system procurement consultant, system designer and provided assistance in the implementation phase of the projects. She has also trained hundreds of contract management system users with various system platforms.
